Re: Extraordinary General Meeting of ANIMA Italian Bond (the "Fund")

Dear Shareholder,

We, the Directors of the Company, are writing to inform you that an Extraordinary General Meeting has been scheduled to be held at 33 Sir John Rogerson's Quay, Dublin 2 on 18 May, 2022 at 3.15 p.m. (Irish time) for the purpose of approving proposed changes to the fund information card ("Fund Information Card") of the Fund to permit the use of credit default swaptions for the following purposes, namely hedging, risk reduction, investment and efficient portfolio management purposes, as further detailed below.

1. Proposed Changes to permit the use of Credit Default Swaptions

It is intended that Appendix V-Financial Derivative Instruments of the Prospectus and the Fund Information Card for the Fund be updated to permit the use of credit default swaptions for the purposes detailed below:

"Credit default swaptions may be used for the following purposes:

- *hedging, in order to (partially or totally) net a position in another credit default swaption with the same characteristics (with the same or a different counterparty) but taking an opposite position (i.e. in respect of being long or short) or in order to (partially or totally) optionally net a position in a credit default swap with the same underlying and different credit exposure taking an opposite position (i.e. in respect of being long or short);*
- *risk reduction, in order to optionally decrease the credit risk of a portfolio of corporate and/or government securities and/or credit default swaps;*
- *investment, in order to take an optional (long or short) position on credit risk or to gain from option premiums received;*
- *efficient portfolio management, in order to take an optional long position on credit risk without interest rate risk exposure."*

It is intended to seek Shareholder approval to permit the use of credit default swaptions on the basis that the use of credit default swaptions may alter the risk profile of the Fund.

2. Shareholders' Approval

For the sanctioning of any Ordinary Business, that is the proposed amendment to the Fund Information Card to permit the use of credit default swaptions, an ordinary resolution is required to be passed in favour of that proposal by a simple majority of Shareholders/Members of the Fund consisting of more than fifty per cent (50%) of the total number of votes cast present in person or by proxy, who cast votes at the Extraordinary General Meeting of the Shareholders of the Fund.

The quorum for the Extraordinary General Meeting is two Shareholders present (in person or by proxy). If within half an hour from the time appointed for the meeting, a quorum is not present, it shall be adjourned to the next business day, at the same time and place or to such other day and at such other time and place as the Directors may determine. If at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting, the Shareholders present shall be a quorum.
