### Re: Annual General Meeting of the Company

Dear Shareholder,

We, the Directors of the Company, are writing to inform you of the business to be conducted at the Company's upcoming Annual General Meeting ("AGM") of the Company which has been scheduled to be held at 33 Sir John Rogerson's Quay, Dublin 2 at 9.00am (Irish time) on 20 June 2024, namely:

- (i) business commonly conducted at an AGM, to include, the re-appointment Deloitte as the the Auditor of the Company and the fixing of the remuneration of the Auditor, as well as the fixing of the remuneration of the Directors; and
- (ii) consideration of proposed updates to the Memorandum and Articles of Association of the Company (the "M&A"), as detailed below.

#### Updates to the M&A

It is proposed that the M&A be updated to include provision for the compulsory conversion of all or any shares of one class in a sub-fund of the Company, for shares of any class of the same sub-fund of the Company, in accordance with the terms of the M&A.

The rationale for proposing such updates is that the Company, mainly for the purpose of streamlining share classes on offer within the sub-funds of the Company over time, as may be required, deems it appropriate to provide for such provisions within the M&A. The streamlining of share classes is intended to benefit Shareholders and the Company itself as such streamlining will result in cost efficiencies in respect of the share classes on offer, and efficiencies in respect of the Company's operations generally.

Details of the specific updates proposed to the M&A are set out in Appendix B hereto and will require prior shareholder approval.

Should the Company decide to effect a compulsory conversion of shares at any point in the future, prior written notice of such intention will be provided to relevant Shareholders. In the event that a compulsory conversion of shares, as contemplated herein, which could result in affected Shareholders holding shares which are subject to less favourable terms than those applicable to the shares currently held by a Shareholder, the approval of affected Shareholders will be sought.

The prospectus of the Company will also be updated by way of an addendum to include similar provisions, as well as detailing the consequences of the compulsory conversion of all or any shares of one class in a sub-fund of the Company, for shares of any class of the same sub-fund of the Company.
